1.1 Conclusion of a transaction

- 1.1.1 Unless otherwise agreed all deliveries and services ordered by us shall be subject to these General Terms and Conditions of Purchase ("GTCP"). Terms and conditions of delivery or other contract form sheets of the supplier shall not be applicable even if we do not expressly object thereto.
- 1.1.2 Purchase orders shall be acknowledged by means of the enclosed reply letter. If we do not receive an acknowledgement of order which fully corresponds to our purchase order within a period of 14 days, we shall be entitled to cancel the purchase order. If we do not cancel the purchase order, the supply agreement with us shall nevertheless exclusively be concluded according to the scope and on the terms and conditions of our purchase order.
- 1.1.3 If the supplier has submitted an offer, the contract shall be concluded as of dispatch of and according to our purchase order.
- 1.1.4 All agreements and all our statements shall require written form in order to be valid. This requirement shall not refer to purchase orders placed only orally or by fax that include a purchase order number and are subsequently acknowledged in writing; such oral / faxed orders shall take effect as of receipt of the order acknowledgement.
- 1.1.5 All trade clauses stated in supply agreements shall be understood within the meaning of the Incoterms applicable from time to time unless some other meaning is expressly agreed in writing.
- 1.1.6 The terms "delivery" and "supply" as used in these GTCP shall include both deliveries of goods and other items (in particular energy and software) and the provision of services and the granting of rights. Wherever the term "goods" is used in these GTCP, the GTCP shall also apply to all other types of deliveries mutatis mutandis.

1.2 Type and period of delivery

- 1.2.1 Deliveries shall be handled according to our instructions. Goods shall be packed properly. Deliveries shall be in compliance with the regulations on safety, packaging and dangerous goods applicable in Poland; the related papers (e.g. safety data sheets and test certificates) shall be enclosed. With respect to utilisation and disposal of means of packaging our directives and rules shall be observed and co-ordinated with us, if necessary. Unless otherwise agreed deliveries shall be made DDP (named place of destination) according to the Incoterms.
- 1.2.2 Insurance of the goods against transport damage or other damage shall be taken out by the Supplier. This can be at our cost only if expressly agreed.
- 1.2.3 Partial deliveries may only be made with our consent.
- 1.2.4 Delivery periods shall commence on the date of our purchase order.

1.3 Payment

- 1.3.1 All prices shall be fixed prices unless deviating provisions have been agreed.
- 1.3.2 Payments shall be deemed neither an acknowledgement of proper delivery nor a waiver of any rights whatsoever.

Sempertrans Belchatow Sp. z o. o.**

1.4 Untimely delivery

- 1.4.1 If the supplier is in default, then 14 days after default started we shall be entitled to cancel the contract with immediate effect and without having to announce our cancellation of the contract and without having to grant a period of grace. If a time bargain has been agreed, the contract shall be terminated upon non-observance of the agreed fixed date unless we demand performance of the contract within 14 days.
- 1.4.2 If the delivery date is not observed, the supplier shall pay a contractual penalty in the amount of 0.5% of the total price for each commenced week of delay but not more than 5% of the total price, irrespective of fault. If the contract is terminated due to the default of the supplier or if the supplier is no longer able to render performance of the contract, a contractual penalty of 5% of the total price shall be paid in any case.

1.5 Defective delivery

- 1.5.1 Unless expressly agreed otherwise all goods delivered shall be new (brand-new) and of top quality (1A goods or agreed type of goods), state-of-the-art and suitable for their designated purpose.
- 1.5.2 If we at the acceptance test have determined values regarding the supply quantity, measurements, weights and quality, such values shall be relevant unless the supplier proves them to be incorrect. Our right to claim for defects or to raise any other claims at a later point in time shall not be excluded by the acceptance test.
- 1.5.3 The supplier shall be responsible for the constant quality of the goods delivered on the basis of his quality assurance system maintained according to Clause 1.7.6 of these GTCP. That means that as soon as the supplier has been admitted as a supplier of Sempertrans Belchatow, Sempertrans Belchatow will, in principle, no longer inspect the incoming goods. Accordingly we are not obliged to test or inspect the goods before or after delivery or to give notice of defects within a reasonable time after delivery. Defectiveness of the goods delivered may be claimed notwithstanding that they have been used for quite a long period of time or have been processed. The warranty claims shall be deemed to have been asserted in time if we have dispatched a written notice of defects within the warranty period.
- 1.5.4 If defective goods have been delivered, we shall have the option for a period of three years as of delivery to cancel the contract or to demand a price reduction or to demand that the defect be repaired or that non-defective goods be delivered. Improvement or substitute delivery shall be effected immediately and at the supplier's cost. In urgent cases we shall be entitled at the supplier's cost to repair the defect ourselves or to have the defect repaired.
- 1.5.5 If we cannot use the items delivered owing to their defectiveness, the supplier shall have to pay a contractual penalty as provided for in Clause 1.4.2 until the defect is repaired. If we cancel the contract, a contractual penalty of 5% of the total price shall have to be paid in any case.

1.6 Business secret

Our purchase orders and all related commercial details and technical details shall be treated by the supplier as a business secret. The supplier may only refer to the existence of business relations with us if we have agreed thereto.
